

# IFBC ARTS/CRAFTS FAIR & Flea Market August 23 - 25, 2018 10 a.m. - Sunset

Attention Crafters/Artisans/Sellers

The IFBC board is excited to welcome crafters/artisans/sellers to the 13<sup>th</sup> Annual International Falls Bass Championship which has a guaranteed \$30,000 payout based on the 60 teams allowed for the tournament. Again this year it will all be happening at Smokey Bear Park in downtown International Falls, Minnesota with the arts and crafts fair in City Square Park across from the S.B. Park.

The following are the rules and policies each crafter/artisan/seller must follow to make this event run smoothly.

- There will be a flat fee of \$10 for each space. The fee covers rental of approximately 10' x 12' space in the City Square Park for the three day event. There'll be a max. of 3 spaces available to rent in the first 2 sections of 3<sup>rd</sup> St, at the directors discretion. Crafters are responsible for tables and tents if needed for your display. Some high crested or oversized tents & carports may not fit under park trees. No Food Items will be sold in City Square Park as of 2017 & beyond.
- The coordinator reserves the power to assign the location of all crafters/artisans/sellers in the best interests of the event. Special consideration will be given to early paid entries.
- No electricity will be provided on the City Square side of the street. The strip of grass along the street isn't to be used for crafter displays at any time. Limited parking of crafter vehicles on the grass behind their exhibits is at the discretion of the City of International Falls.

- Dogs/Cats/goats must be on a lead & staked.
- Only IFBC Sanctioned raffles, 50/50 drawings, & game drawings are allowed in City Center Park, in select locations, with copies of required Mn & city licenses/permits submitted with IFBC entry forms.
  
- Crafters are prohibited from removing any fixtures, temporary or permanent established by the IFBC board. This includes trees and shrubbery.
- No selling of novelty items that can cause litter, i.e. silly string and stink bags/bombs.
- Crafters are responsible for items left in their booths over night. There will be night security roaming the park but the IFBC tournament and board are not responsible for lost, stolen or damaged items.
- Crafters must remove all structures from leased space within 24 hours after the closing day of the IFBC.

We look forward to seeing you at the IFBC Arts and Crafts Fair. Any questions about the events planned can be seen on the web site at [www.ifallsbass.com](http://www.ifallsbass.com). 2018 information will be available on the website later. Crafter agreements are available on the website or by contacting event coordinator below.

Thank you,
